As the Breeder, unless otherwise stated, we reserve the rights to at least the first 2 picks from each litter for breeding or show.

A nonrefundable deposit in the amount of \$300 is required to hold a puppy or both males and females. The deposit must be received promptly (within five business days) in order to hold a puppy. Please mail us the completed puppy deposit form to the address listed at the bottom of the page.

The outstanding balance shall be paid to and received by the Seller when the puppies are 6 weeks old. Puppy selection is during the 8th week. Puppy selection and health records will be provided to the Buyer at that time. All puppies will be vet checked and up to date on vaccinations and worming prior to going home with their new owner.

Checks or cash are accepted for deposit. The outstanding balance must be paid for in Cashier's check or personal check at the time of 6 weeks. Pick of puppies is determined in the order of deposit received. The puppy must be picked out on the day and time the Seller and Buyer agree so the next Buyer in line can pick their puppy. If you can't make it, we will pick your puppy for you. The buyer agrees that if the puppy is not picked up by 9 weeks, there will be a \$10.00 per day boarding fee.

The best policy is to be absolutely sure that you want a puppy from this pairing before you send your deposit. If the pairing is not successful, your deposit can be returned or moved to a future pairing of similar or better quality.

All puppies that are sold with AKC registration papers will have limited registration. All puppies are sold with a spay/neuter agreement between 8 and 24 months, unless otherwise agreed by both parties in writing.

The Seller reserves the right to void this transaction and refund the deposit if we feel any reason the Buyer might not be suitable for the puppy.
